

SRIRAM KAUSHIK RAMESH

Kitchener, ON | sriramkaushikramesh@gmail.com | (382) 885-1353 | 

OVERVIEW

An SAP consultant with over five years of experience implementing and supporting different modules. Proven ability to provide strategic vision and manage the execution of cross-business initiatives, process essential business requirements into flexible solutions, and enhance operational performance. Proficient in SAP BRIM CC/CI, FICO, and SAP Business One with experience in implementation, problem-solving, data processing, and support. I look to enhance my skills further and integrate innovations into the company when working to achieve its objectives.
